PAUL BRUYEA,	)

v.	) Civil Action No. 23-766 T
	)
	) Judge Matthew H. Solomson
THE UNITED STATES,	)
	) Filed Electronically

Defendant	)

**PLAINTIFF'S REPLY MOTION TO TRANSFER THE CASE**

Plaintiff believes that the reasons to transfer the case to Judge Horn for the efficient administration of justice have been fully set forth in the original motion. While undoubtedly nuances exist between the *Christensen* case and the case at bar, the fundamental issue is one of first impression that has required extensive original and supplemental briefing. In these circumstances, the amount of effort for the parties and the Court would be reduced if Judge Horn is assigned this case. This efficiency is achieved even if a different result would occur based on any such nuances.

WHEREFORE, the Plaintiff requests that the instant case be reassigned to Judge Horn for the efficient administration of justice for the reasons set forth above.

Respectfully submitted
